Performance Bull Sale

SATURDAY, FEB. 20, 2010

Selling 140 Bulls

1:00 p.m. CST
At The Ranch:
Dunning, Nebraska
308-538-2676

Dear Cattlemen,

We would like to invite you to the Minert/Simonson Angus Ranch Bull Sale.

The emphasis of our program has always been to provide seed stock that will perform and turn a profit for the commercial cattleman. We are confident this offering represents the kind of genetics required of today's producers.

Connealy Industry 5634 is proving to be a sire that excels in meeting our goals. He is owned with Cedar Top Ranch. Seven of his sons created a lot of interest at the 2009 National Western. He has been leased by Accelerated Genetics, 33 sons sell on February 20.

Connealy Front Page 0228 continues to make his mark in our herd by siring calving ease, consistent, moderate framed and top producing daughters with excellent udders.

The offering includes top sons of our raised sires that topped our 2008 sale, MSAR Sheriff (14 sons) and MSAR Shaker (22 sons).

The bulls are raised with no creep and developed in a twenty acre area on a high roughage ration. This program provides sound bulls that hold their condition well during use as yearlings.

Excellent disposition has always been a trademark of our program. Twenty percent of the bulls are halter broke to tie.

Northern Internet Video will provide live broadcast on the internet and bidding will be by phone for those unable to attend the sale.

We encourage you to visit with us and look over the sale offering any time prior to the sale.

Sincerely,

Lowell Minert *J.W. & Cindy Simonson*

SELLING 140 LOTS

Plus

1 - Well Broke Ranch Gelding

AUCTIONEER: Joe Goggins, 406-373-6844

Buyers unable to attend the sale may send bids to any of the above representatives or Minert/Simonson Angus. Satisfaction is Guaranteed on all Bids.

Complimentary Lunch

-AFTER THE SALE-

Join us for pie after the sale.

-LODGING-

Super 8 - Broken Bow & Ainsworth, 800-800-8000
Rodeway Inn - Thedford, 308-645-2284
Arrow Hotel - Broken Bow, 308-872-6662
Halsey Frontier Inn - 308-533-2240

-RETAINING INTERESTS-

Those bulls are noted in the footnotes plus additional bulls may be added from the auction block. This does not restrict your use since you have full possession. Very few bulls will actually be collected and when it does occur we will work with the buyer at their convenience.

-NUTRITION-

The bulls are not creep fed. They are developed on the ranch on 25 acres with 100 percent of the roughage - a grass/alfalfa mix.

-INSURANCE-

Mortality Insurance (Death or injury, resulting in death) will be available through American Livestock Insurance Co.

-FERTILITY-

Bulls are semen tested and scrotal measurements will be available.

-ULTRASOUND-

Ultrasound for back fat, marbling and ribeye will be available.

-EPDs-

All EPD's are from the Spring 2010 Sire Summary. All embryo Lots carry Interim EPD's.

-FIRST BREEDING SEASON GUARANTEE-

All bulls are guaranteed against breeding injury for the first breeding season. Breeding season is defined as the 90 day period following the first turnout of the bulls. Credit for the purchase amount less \$1000 (buyer keeps salvage value) will be applied toward a bull for replacement of an injured bull. Credit is for a replacement bull or credit in the 2010 sale.

-VOLUME DISCOUNT-

\$100 Discount off third bull purchased and \$100 off for each additional bull.

-FREE WINTERING-

Bulls will have excellent care and will be delivered in early April.

-FREE DELIVERY-

Bulls will be delivered free within 300 miles.

For Internet video auction info

7 year old Ranch Gelding

Consigned by

Mike and Peggy Coffman,

308-533-2294

***This 7 year old well broke bay gelding
has been pastured, roped on and
ridden by grandchildren. Very gentle.
Fifteen hands tall***

* Note by Minert/Simonson Angus:
Mike and Peggy have sold a top young horse in
our sale for the past 9 years. All have gone to
very satisfied customers.

***Our employees that keep the day to day operation of the ranch going
in an excellent manner***

***Charlie and Margaret Smith
Charlie has been with us for
over 5 1/2 years.***

***Brett, Johanna and Lena Rea Spencer
Brett joined our operation in August.
Brett's cell No. 308-880-1962***

- His first progeny has volume-style-balance-great disposition-consist out of dams from various sires with moderate birth weights.
- Connealy Industry 5634 was easily the most popular bull at the Connealy 2006 bull sale by true cattlemen seeking a bull with moderation, volume, fleshing ability, true thickness and structural correctness. Simply, Connealy Industry 5634 is a basic, functional bull with mass that commercial cattlemen are desperately seeking to recapture their cow herd. Additionally, Connealy Industry 5634 has a disposition that is second to none. Use Connealy Industry 5634 to make those gentle, moderate, easy fleshing females with milk in line for efficient, fertile mamma cows that stick with you and work for you.
- Owned by Minert/Simonson Angus Ranch, Cedar Top Ranch, Stapleton
- Leased to Accelerated Genetics. For semen contact Bull Barn Genetics.

Sitz Alliance will go down as one of the great female sires of our time. Even in tough conditions. Alliance daughters milk well, raise a good calf, breed back and stay in good flesh. Almost 500 daughters in 148 herds share a 103 nursing ratio. He is on the borderline of almost being a heifer bull and his moderate framed bulls carry a lot of muscle. This mid-6 frame bull will give you the kind of herd that will keep you in business.

- Right Time is one of the great sires of the breed. The females are deep flanked, long hipped, easy fleshing and have excellent udders. Right Time bulls have moderate birth weights, good growth, good muscle and positive IMF and REA values.
- The Right Time daughters in our herd are outstanding.

Industry

5634

- ◆ Industry is the bull who is right for today's beef industry. His moderate frame, capacity and muscle make him perfect for producing efficient cattle.
- ◆ Industry produces sons with exceptional performance and large scrotal size.
- ◆ Industry will make efficient females. His -0.1 YH and moderate Milk along with a +\$EN will make daughters who will last a long time. His sire and maternal grandsire are both Pathfinder Sires. His dam has a record on 4 calves of 97 BW, 102 WW and 103 YW.
- ◆ Industry has earned his reputation by breeding purebred AND commercial cows in the Sandhills of Nebraska.
