26th Annual
Angus Bull Sale

258 Bulls

Summer Yearlings & Yearlings

Monday

Feb. 27, 2017

at the MR Angus Ranch southwest of

Wheatland, WY

1 p.m. MST

Welcome to the 26th annual Reyes-Russell Angus Bull Sale.

For the past 26+ years the Reyes family has worked closely with Keith Russell and his family in order to offer you high quality Angus bulls that can run in any environment. It is hard to believe it has been a quarter century since we started having these sales. Many of the friends you will see in our stands this year were with us 26 years ago. We truly appreciate your support over the years.

We believe this year's bulls will be a good investment as they are deep, thick, and structurally sound. They have good bone structure, are good footed and have been developed with longevity in mind. We continue to strive for quality, performance, conformation, fertility, and easy fleshing abilities that will work at any altitude.

Our bulls are raised and developed in a realistic range environment. They summer at Tie Siding, WY at 8,000+ feet from May to November. Short mountain grass and mineral is all they see during that time. The Reyes bulls are PAP tested at Tie Siding by Dr. Tim Holt at 8,000'. Russell bulls are PAP tested at 7,250'. When the bulls return to Wheatland they are on a 46 Mcal ration that is 60% roughage, they are not pushed. They run in their working clothes and receive no special treatment.

This year we will be donating 10% of our Lot 20 bull to the Wyoming Stock Growers Association. In addition, we are again participating in the "Bulls for Blue and Gold." Through this effort we will donate 10% of the Lot 10 bull to benefit the Wyoming FFA Foundation. We strongly support both of these organizations that work hard to promote and protect agriculture in our great state.

As always we invite you to stop by and go through the bulls anytime. We hope you will come look at the sale offering, compare and see what our program is accomplishing. Thanks to all our friends and customers who have supported us over the years. We look forward to seeing you Monday, February 27, 2017. If you have any questions, feel free to call.

Thank You,

Juan Reyes and Keith Russell Families

A large herd of dark-colored cattle, possibly Angus or similar breed, is grazing in a field. The field is filled with tall grass and some shrubs. In the background, there is a large, rocky hillside or cliff face. The overall scene is a typical pastoral landscape.
