2021 is off & running and we cannot believe it is already bull sale time again. This is our 15th annual production sale but our 1st sale at PGC. Previously we sold in Chinook with the Northern Premier group. We are excited to connect with you and hope you can be part of this year's sale..... Thank YOU!

Here at PGC, our goal is to produce a functional animal, able to perform and excel in the extremes of North Central Montana. We have one goal with lots of variables. We strive to produce balanced mother cows, that possess a multitude of traits necessary to produce good bulls and females. In turn, these genetics are passed on to our next generation of mother cows and to the producer's herds who support us. Every production year, we start by evaluating the cows at calving; scoring udders, feet, temperament and fleshing ability. Cows that don't meet our standards or don't breed back annually, don't stay. We are BVD free, net wrap free, and Johnes screened. We want the cattle we sell to be trouble free and functional for the producers who buy them, with the goal to help them and their operations succeed.

We are really proud of these bulls & how well they have performed over the past year. We feed them for soundness and longevity. Josh Stroh & Will Rambo from Hubbard Feeds help us develop a ration and a mineral pack. We raise our own forage that includes grass, alfalfa, and winter forages. The bull ration also includes corn that we get from Paul Schroeder & family as well as pea screenings we get from Columbia Grain and our neighbors to the north, Steve, Wanda & Russell McIntosh.

Every bull in the sale has had his EPDs genetically enhanced, meaning more accuracy for our customers. The bulls have all received Fusoguard, Bovi-Shield Gold FP5 VL5, been poured for lice, and have tested negative for BVD. The fertility test and breeding soundness exam was performed by Casey Solomon, DVM. Austin Buzanowski and Joe Lewis did a great job trimming & we always enjoy having them here. Annie O Photos (Andrea Branger) pictured the bulls with help from Alisha Hofman and Meghan Holt which was much appreciated. Bo Bevis, Northern Livestock Video Auction, videoed the bulls, there are directions in the catalog to take you to those videos.

Thanks ahead of time to Lance Johnson for preparing the beef, Kodi Peterson (Fresno Tavern) for all of her help with the meal/social AND Nola for preparing the rest of the meal. It is worth the 30 mile drive just to eat lunch.

We invite you to our pre-sale viewing, all day Tuesday, March 30th at the sale facility. There will be food & beverages available all day. You can also view them online at Northern Livestock Video Auction. If you can't make it to the sale but need a bull, please don't hesitate to call. We look forward to seeing you!

Stop by PGC development lot to preview our animals & receive \$200 bull bucks through March 24th. Visit the website for details.

March 31, 2021 1:00

Bid through Northern Livestock Video Auction's NEW Online Bidding Platform!

Desktop

1. It is best to use the Google Chrome web browser.
2. **Pre-Register at least one day prior to the sale.**
3. Go to bid.northernlivestockvideo.com and click "Get Approved to Bid".
4. Doing this will prompt you to create an account, after which you will fill out a bidder approval application.
5. Once Approved, an email will be sent to the email account provided, please click the link in that email to activate your account and a buyer number will be provided.
6. On sale day (after approval), visit www.northernlivestockvideo.com to view and bid!

Mobile

Use your mobile device to download the Northern Livestock Auction App and follow the above steps to get approved. There is an instructional video on how to register to bid on our website www.northernlivestockvideo.com

Phone Bidding

Anyone wanting to use the Northern Livestock phone bank to bid must pre-register and have a bid number to bid on the phone. **To register with NLVA call 866-616-5035 Before Sale Day.**
Northern's Sale Day Bid Line: **1-406-245-0889**

View the Online CATALOG and VIDEO CLIP of each BULL selling at www.northernlivestockvideo.com

Successful bidders making purchases will be contacted following the sale for payment and delivery arrangements.

For technical assistance with Internet Viewing and Bidding Questions, call Sam Fraser 406-860-0590.

- Andy Rest, *Cattle Business Weekly.* 406-670-5678
- Bo Bevis, *Northern Livestock Video Auction* 406-390-3134

Sale Location 32116 Rd 230 N • Havre, MT 59501. See map inside back cover.

Inspection of Cattle All cattle will be available for inspection the day of March 30th at the sale facility, 32116 Road 230 N, Havre MT. Prior to that the bulls will be at the Peterson Grain & Cattle development center, 18211 Road 325 N, Havre MT.

Sight Unseen Purchase Guarantee Buyers unable to attend the sale may call anyone from PGC or any of our representatives. Let us know your bull needs and your budget range. We'll bid on and purchase the best cattle possible for your specifications. We'll let you know of cattle purchased following the sale and make payment arrangements with you. If you aren't satisfied upon delivery, you don't own the bull(s).

Health & Performance All bulls sell with complete performance test information including scrotal measurements. All bulls have been semen tested by Casey Solomon, DVM, Milk River Reproduction. All bulls have received Fusoguard, BoviShield Gold FP5 VL5, pour on and have tested negative for BVD.

Genomic Enhanced EPDs All of the bulls in the sale offering have PF50 DNA testing to increase EPD accuracies and predictability. This test is a tool to enhance selection and predict genetic potential. EPDs are current as of 3/1/21. Updated EPDs are available at Angus.org

Retained Interest Peterson Grain & Cattle is retaining a 1/3 revenue share interest on all bulls selling in the sale, unless otherwise announced from the block. Natural use and salvage belongs to the buyer. If we choose to collect semen from a bull that you have purchased, we will have it done at your convenience and at our expense.

Terms & Conditions All cattle sell according to the standard terms and conditions of the American Angus Association.

Delivery/Hauling Rebate Free delivery on the bulls and registered heifers around Montana. If you bring your trailer to the sale, a \$40 rebate will be returned to you after sale settlement for bulls you haul home on sale day.

Volume Discounts 3 to 5 Bulls 3% Discount. 6 or more Bulls 5% Discount.

Insurance will be available sale day through Bill Pelton.

First Year Breeding Guarantee Insurance is available sale day for loss of use and mortality and provides the best guarantee for a full year after sale day. PGC guarantee applies to all bulls sold over \$3000, and covers the bull for 60 days past the first day of turn out. In the event a customer has a problem with a bull (health, injury or death), notify PGC immediately. A 50% credit minus the salvage value will be given for the following year's sale OR towards a replacement bull from PGC, if available. A proof of sale/salvage and veterinary statement will be required to fulfill guarantee.
As mentioned above, the best guarantee available is the Insurance available sale day.

Liability All persons attending this sale do so at their own risk, legal or otherwise for their safety or the behavior of the animals. The owners, auction service and sale staff assume no liability for property loss or any accidents that may occur.

Announcements from the block will take precedence over the catalog.

Accommodations

- Best Western Great Northern Inn 406-265-4200
- Best Western Plus Havre Inn & Suites 406-265-2888
- Super 8, Havre. 406-265-1411
- Americinn, Havre. 406-395-5000
- Cape Air 1-800-CAPE-AIR

Lunch Complimentary CAB lunch served at 11:30 am. Please join us for lunch and look over the bulls on sale morning.

WHY WE TEST WITH HD50K™ FROM ZOETIS

Powered by HD50K™ from Zoetis, our cattle sell with genomic-enhanced expected progeny differences (GE-EPDs).

With GE-EPDs, we're confident that customers like you can minimize risk in their investment — and enhance the productivity of your cattle.

The benefits of buying HD50K-tested bulls and heifers goes beyond added accuracy for the complete range of traits for more productive daughters and progeny. You'll know early on what that animal is likely to transmit to its offspring and potential for performance in the feedlot and on the rail. You can also match the HD50K tested sires you buy from us to replacement heifers — through GeneMax® Advantage™ — to make better-informed breeding and management decisions down the road.

Knowing an animal's potential. Continuous progress of your herd. That's why we test with HD50K.

Number of progeny records in conventional genetic evaluation needed to achieve the same accuracy as GE-EPDs powered by HD50K

Trait	Progeny Equivalents

Lot 1 is a bull that will throw growth and correctness! He posts the second highest WW for our offering this year and is in the top 10% for WW, YW, MW, MH and CW and the top 15% for Angle & \$F. The Stellar sire and Reload maternal grandsire is a great combination for style and phenotype. Lot 1 stands out in the bull pen, and was a favorite at this year's Open Corral. He is out of a first calf heifer with a beautiful udder and nice feet, his granddam posts a WR of 6 @ 109.

Lot 2 is a thick made, big topped bull. He carries a well balanced set of EPDs with the power and style we've come to expect from his sire, PGC Forge. His dam posts a WR of 3 @101, and granddam posts a WR of 6 @ 102. He is in the top 35% of the Angus Breed for WW, YW, YH, HP, Milk, MW, MH, Claw, PAP, CW, \$M, \$F, \$B, \$W, and \$C EPDs.

This bull has been a stand out since birth. He ranks in the top 10% of the breed for YW, RADG, SC, CW (4%), \$F (2%) & \$C, and 15% for Milk, \$M, \$B, & \$W. His dam is a beautiful 4 year old, purchased from Hinman Angus as a bred heifer. She posts a WR of 2 @ 106, perfect scores at calving for temperament, feet and udder quality, and has bred back first cycle every year.

Lot 5 has herd bull potential. This bull packs a lot of power in a moderate package, with an exceptional cow family behind him. Once you find this guy in the bull pen, you can't stop looking at him. He weaned off in the top 4 of the PGC offering, off of a deep, correct and easy fleshing first calf heifer. He ranks in the top 25% of the Angus breed for WW (20%), YW (15%), SC (15%), MW, DOC, & \$M. and in the top 1% for Claw and Angle! Granddam was a great cow at PGC and great granddam was one of Kim's all time favorite cows.

A calving ease bull with a balanced set of EPDs. Lot 17 ranks in the top 25% for WW, RADG, DMI, SC, HP, Milk, RE, Fat and \$C. Dam is a PGC favorite, calving 1st cycle again in 2021, with perfect calving book scores. She posts BW 7 @79#, WR 6 @ 103, producing 2 females in production in the PGC herd and 3 bulls for PGC production sales. Nathan Pomeroy 2018 & 2019 (full brother).

A smooth operator, Lot 35 is a calving ease bull with some major depth and thickness and a great temperament! He's been catching eyes all year in the development lot. His dam is a sweet tempered cow, posts BW 5 @ 71# and WR of 5 @ 101, with perfect calving book scores this year. Tyler & Breanna Harbaugh bought a full brother to this bull in our 2020 sale.

Dam of Lots 40 - 43 and PGC Forge

This cow checks a lot of boxes. The dam of PGC Forge, the heaviest weaning calf PGC has ever produced. 4106 is solid built, easy to be around, with a perfect udder. An excellent mother, and easy fleshing. She has produced 9 calves with an average WR of 103. Her fertility was tested the spring of 2020, with a flush 60 days after calving, and she passed with flying colors; producing 23 transferable embryos and then she turned around and bred back immediately after the flush. We look forward to the future calves this donor cow will produce for our herd. The embryos hitting the ground this donor spring have a definite style and noticeable structure when they hit the ground!

A straight topped heifer, Lot 91 is a Broken Bow out of Zach Bailey's favorite cow at PGC. Both Lot 91 and her dam are sturdy structured and functionally built. Dam has done well for PGC and maintains great scores in the calving book, with a first cycle calf already on the ground this year. Lot 91 ranks in the top 35% of the breed for CED, BW, DMI, HP, \$EN, Claw, Angle, Marb, \$M, and \$G.

A pretty little Reload heifer, Lot 95 is going to be functional. She ranks in the top 25% for \$ M and top 15% for \$W. Her dam WR is 2 @ 100 and her granddam has made several keepers for PGC, the same granddam as Lot 86. Our Reload females have been great, with nice udders, feminine stature and great temperament.

The highest WR in our heifer offering this year. Lot 97 is sweet tempered and deep made. She ranks in the top 15% of the breed for WW, YW, Doc, & \$W. Her dam calved in the subzero temperatures this spring and you wouldn't have known it - she dried the calf off and had him nursing like it was a beautiful spring day. She carries a BW of 3 @ 87# and a WR of 2 @ 104.

A beautiful heifer, with the eye appeal we've come to expect from our Playbook females. She numbers well in fertility, sitting in the top 5% of the breed for HP and SC, and the top 35% for CED, WW, YW, CEM, Claw, Angle, CW, Fat, \$M, \$F, and \$C. Dam has done well for PGC, producing 5 keepers (2 sale bulls and 3 replacement quality females).

ABOVE AVERAGE GOALS REQUIRE TARGETED BULLS

Aim High

The Targeting the Brand™ logo highlights registered Angus bulls with greater genetic potential to produce calves that meet the most challenging specifications of the Certified Angus Beef® brand.

Only 1 in 4 non-parent Angus bulls qualify.

Minimum Genetic Requirements

Marbling EPD (Marb)	+0.65
Dollar Grid Carcass Index (\$G)	+55.0

For more information on Targeting the Brand™ visit CABcattle.com.

Specializing in custom decals, stickers, & apparel designs for both personal & business purposes, we work closely with our customers to create a product that truly represents them.
