# Welcome to the Sale

Cattlemen and Friends,

Bill and Codi Cook Family

Jess and Lana Matt Family

On behalf of all of us at C Spear Angus, we would like to welcome you to our 3rd annual bull sale. We are excited to offer another performance-minded set of Angus bulls and want to thank all our valued customers for your support of our program.

As always, our focus is to provide our customers with a set of bulls that will add dollars to your bottom line. We believe we have bred these bulls to work for the commercial cattlemen. This is the top 60% of the 2022 calf crop. These bulls will add extra length to a set of calves and excel when they hit feed.

We are excited about the direction our cow herd has taken in the past 10 years. By using proven bulls and adding replacement females from reputable outfits, we think our replacement heifers and 2-year-old heifers are going to keep moving us in the right direction. We have used embryo transfer to expedite the process, as well as flushing some of our best cows. Like we've said in the past, we are not interested in low birth weight small-framed cattle. With that being said, 70% of the bulls in this sale will work on heifers. We feel there is a difference between calving ease and low birth weight. Whether you calve in February or May, length of body and performance is what always brings top dollar.

The bulls in this sale have all passed a fertility test. They have been genotyped for increased EPD accuracy and parent verification with AngusGS. They have been on a complete herd health program since birth and will sell with a First Year Breeding Season Guarantee.

We are excited about the year ahead with all indications showing a big jump in the cattle markets at all levels. Please don't hesitate to contact us with any questions about the bulls. We will be happy to help with bull selection, if needed. We look forward to seeing you on April 10th at Billings Livestock.

Thanks Again,  
*Bill Cook and Jess Matt*

### CATTLE WILL SELL IN CATALOG ORDER

#### First Breeding Season Guarantee

All bulls selling for \$3,500 or more will be covered 50% by C Spear Angus, if they are injured during their first breeding season. This guarantee does not include death as that can be insured for. Breeding season is defined as the 60 day period following the first turnout of bulls. Fifty percent of the value of the injured bull, minus one-half the salvage value, will be given credit in a future C Spear Angus sale or toward a replacement bull if one is available. Salvage value, if any, will be split equally between C Spear Angus and the buyer. All injured bulls must be diagnosed by a veterinarian. We also reserve the right to a second opinion by a veterinarian of our choice. Please notify us as soon as possible should injury occur and prior to the injured bull being sold for salvage. All claims must be made by September 1, 2023.

There is an instructional video on how to register to bid on our website, [www.northernlivestockvideo.com](http://www.northernlivestockvideo.com) if you have any questions.

For technical assistance with Internet Viewing and Bidding Questions, call Sam Fraser 406-860-0590.

# Sale Notes

# YOU'VE EARNED IT

You've made a significant investment in your genetics, but does the market recognize that? The AngusLink<sup>SM</sup> Genetic Merit Scorecard was created to objectively describe the genetic merit of your feeder calves. The scorecard gives buyers the confidence they need to pay more for your quality calves.

In 2022, users of the Genetic Merit Scorecard earned a **\$12.94/CWT PREMIUM** on average. Give us a call and we can help you earn what you deserve.
