# Welcome to the Sale

Cattlemen and Friends,

It is a pleasure for all of us at C Spear Angus to welcome you to our 4<sup>th</sup> annual bull sale. We are pleased once again to offer another performance-minded set of Angus and want to thank all of our valued customers and friends for the support of our program.

We strive to provide our customers with a set of bulls that will add dollars to your bottom. We have bred these cattle to work for the commercial cattlemen. This offering represents the top 60% of our 2023 calf crop. These bulls will add extra length to a set of calves and excel when they hit feed.

We are proud of this offering and even more proud of the cowherd we have built to back them. We have tried to take a balanced approach with the biggest emphasis on length of body and fertility. We are using embryo transfer to take advantage of the genetics of our best cows. We have continued to use bulls with calving ease, but that doesn't mean we are interested in low birth weight cattle. If you notice, there are a lot of the bulls in this sale that carry the CAB Targeting the Brand logo. We are proud of the fact that we are getting carcass merit bred into our cowherd without overdoing it. This set of bulls should sire a set of feeder cattle and replacement heifers that will keep you in business.

The bulls in this sale have all passed a fertility test. They have been genotyped for increased EPD accuracy and parent verification with AngusGS. They have been on a complete herd health program since birth and will sell with a First Year Breeding Season Guarantee.

The year ahead looks like exciting times in the livestock industry with all indicators pointing to the highest markets we have ever seen. We look forward to seeing you on sale day. Come enjoy the day and buy the bulls you like. Please don't hesitate to call with any questions about the bulls. We are happy to assist you if you cannot make it sale day.

Thanks Again,  
*Bill Cook and Jess Matt*

### CATTLE WILL SELL IN CATALOG ORDER

#### First Breeding Season Guarantee

All bulls selling for \$3,500 or more will be covered 50% by C Spear Angus, if they are injured during their first breeding season. This guarantee does not include death as that can be insured for. Breeding season is defined as the 60 day period following the first turnout of bulls. Fifty percent of the value of the injured bull, minus one-half the salvage value, will be given credit in a future C Spear Angus sale or toward a replacement bull if one is available. Salvage value, if any, will be split equally between C Spear Angus and the buyer. All injured bulls must be diagnosed by a veterinarian. We also reserve the right to a second opinion by a veterinarian of our choice. Please notify us as soon as possible should injury occur and prior to the injured bull being sold for salvage. All claims must be made by September 1, 2024.

There is an instructional video on how to register to bid on our website, [www.northernlivestockvideo.com](http://www.northernlivestockvideo.com) if you have any questions.

For technical assistance with Internet Viewing and Bidding Questions, call Sam Fraser 406-860-0590.

#### PHONE BIDDING:

Anyone wanting to use the Northern Livestock phone bank to bid must pre-register and have a bid number to bid on the phone.

Suitable for heifers. C Spear Commerce L227 is a great way to start the 4th Annual Sale. L227 is a high-calving and high-performing son of the popular Sitz Commerce. L227 is a full brother to our Lot 1 bull last year. Leachman Blackcap 9021 is a beautiful KM Broken Bow 002 daughter who is a no-miss cow and is in the donor pen. 9021 has weaning ratios of 2@112 and 2@108. L227 is a true-blue herd bull candidate with added power and substance.

Suitable for bigger heifers and cows. C Spear Thedford L117 is a true beef bull with added look and body. L117 is sired by the \$200,000 ST Genetics sire, Hoffman Thedford, who has had sons top multiple sales this year. These Thedford cattle are high-performing cattle; we are calving our first daughters this year, and they are beautiful cows with great udders. L117 is out of one of the very best E143 daughters we have. A true power bull that we think could make a big-time herd sire.

Suitable for bigger heifers and cows. C Spear Conclusion L120 is as good of a bull we have raised. L120 is high calving ease while still having explosive growth numbers. L120 is backed by 2 of the very best cows we have: WC Erica 0131 and Leachman Erica 8091. L120 has been a tank since day 1 and just kept getting better — as they all say, all the good ones can't be first!!! WC Erica 0131 is a cow who flat out doesn't miss, having weaning ratios of 2@111 and yearling ratios of 2@113. L120's granddam, Leachman Erica 8091, is in the donor pen and will be having some flush brothers in next year's sale. 8091 was the dam to our 2023 NILE Female Sale consignment. Folks, when I say we like our bulls stout, rugged, and flexible while adding the pounds to the scale, L120 is all of that. Do not miss out on a true herd sire who is outcross and backed by some of the best cows we have!

# MAKE YOUR CATTLE STAND OUT

You've made a significant investment in your genetics, but does the market recognize that? Stand out by differentiating our cattle with AngusLink<sup>SM</sup> programs: the Genetic Merit Scorecard<sup>SM</sup> and AngusVerified<sup>SM</sup>.

ANGUS LINK<sup>SM</sup>  
**GENETIC  
MERIT**  
SCORECARD<sup>SM</sup>

The Genetic Merit Scorecard gives buyers the confidence they need to pay more for your quality calves.

**ANGUS**  
**VERIFIED**<sup>SM</sup>

AngusVerified validates your calves are sired by registered Angus bulls and make your cattle stand apart from other black hides on sale day.

Users of AngusLink programs earn **\$13-15/CWT PREMIUMS** on average. Give us a call, and learn how to claim your competitive edge with AngusLink value-added programs.
