Terms - Cash

All cattle will sell under the current terms and conditions of the American Angus Association.

Liability

All persons who attend the sale do so at their own risk. Hinman Angus LLC, Dave & Yvonne Hinman, William & Heidi Luloff assume no liability, legal or otherwise, for any accidents which may occur.

Trucking

Free delivery on bulls to CENTRAL POINTS (stockyards, etc) within 1000 miles, or the nearest Canadian border, on purchases of \$5000 or more. We will refund \$50 per bull on any bulls picked up sale day or within the next three days after the sale.

Bids

Sight unseen satisfaction guarantee. Call Dave, Billy or Tyler prior to sale day to discuss your requirements; that will help us purchase the bulls you need.

Volume Discount

A 10% discount will be given on 10 or more bulls purchased by, transferred and delivered to one buyer, when purchase price is \$5000 or more.

Retained Interest

Hinman Angus is retaining 1/3 semen revenue-sharing interest in each individual bull in the sale, unless otherwise announced from the block. Natural use and salvage value belong to the buyer.

39th Annual
Bull Sale

Tuesday

April 7, 2026

At the Ranch, 4783 Bowdoin Rd,
10 miles east of Malta, Montana

1:00 pm
MDT

Sale Order

We will start with Lot 1 and sell in Lot order.

EPDs

EPDs are current as of February 28, 2026.

View updated EPDs at www.Angus.org

Cattle Available For Viewing

The cattle are fed at Hould Feedlot southwest of Malta and can be seen there anytime until the weekend before the sale, at which time they are moved to the ranch.

Calving Ease Explanation

- ✦ - Recommended for Cows
- ✦✦ - Moderate Calving Ease, recommended for use mostly on cows
- ✦✦✦ - Superior Calving ease, should work well with most heifers
- ✦✦✦✦ - Excellent calving ease, use on heifers

Herd Health

We have an excellent whole herd health program with the help of Dr. Rick Levesque. All bulls have been tested for BVD and have had two shots of Fusogard.

Fertility

Bulls will be evaluated and scrotal measured by Dr. Rick Levesque DVM mid March. Scrotal measurements will be available on Hinman Angus website and at the sale.

First Year Breeding Season Guarantee

Bulls are guaranteed to be sound and healthy breeders, with a first breeding season guarantee. Breeding season is defined as the first 90 days following the first turn out. All bulls selling for \$5000 or more will be given 50% of the value of the injured bull, minus salvage value. Credit will be given in a future sale or towards a replacement bull if one is available. All injured bulls must be diagnosed by a veterinarian and information sent to us. Please notify us as soon as possible should an injury occur and prior to the injured bull being sold for salvage.

All claims must be filed with us by September 1, 2026.

AM, NH, CA, M1, DD and OH Guarantee

All sale bulls are pedigree free or have been tested free of all known genetic defects.

Bid through Northern Livestock Video Auction's NEW Online Bidding Platform! Desktop and Mobile Friendly

Desktop

1. It is best to use the Google Chrome web browser.
2. *Pre-Register at least one day prior to the sale.*
3. Go to bid.northernlivestockvideo.com and click "Get Approved to Bid".
4. Doing this will prompt you to create an account, after which you will fill out a bidder approval application.
5. Once Approved, an email will be sent to the email account provided, please click the link in that email to activate your account and a buyer number will be provided.
6. On sale day (after approval), visit www.northernlivestockvideo.com to view and bid!

Mobile

Download the Northern Livestock Auction App and follow the above steps to get approved.

There is an instructional video on how to register to bid on our website, www.northernlivestockvideo.com

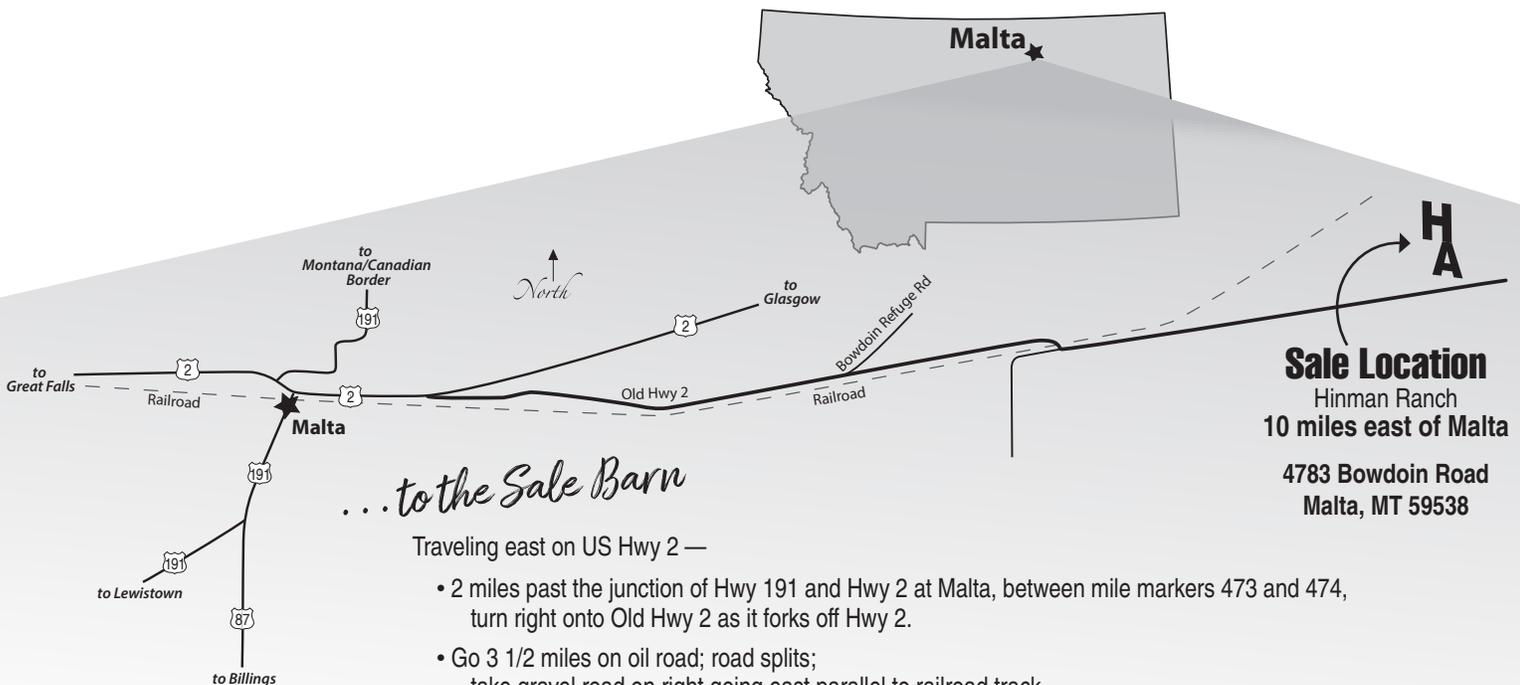

Phone Bidding:

Anyone wanting to use the Northern Livestock phone bank to bid must pre-register and have a bid number to bid on the phone. *To register with NLVA call 866-616-5035 Before Sale Day.*

Northern's Sale Day Bid Line: 1-406-245-0889.

View the Online CATALOG and VIDEO CLIP of each BULL selling at www.northernlivestockvideo.com
Bidders who are successful in making purchases will be contacted following the sale to make payment and delivery arrangements.

For technical assistance with Internet Viewing and Bidding Questions, call **Sam Fraser 406-860-0590.**

Sale Location
Hinman Ranch
10 miles east of Malta
4783 Bowdoin Road
Malta, MT 59538

... to the Sale Barn

Traveling east on US Hwy 2 —

- 2 miles past the junction of Hwy 191 and Hwy 2 at Malta, between mile markers 473 and 474, turn right onto Old Hwy 2 as it forks off Hwy 2.
- Go 3 1/2 miles on oil road; road splits; take gravel road on right going east parallel to railroad track.
- Go 1 1/2 miles, cross the railroad tracks, immediately turn left still going east.
- Go 3 more miles.
Sale Barn is the green building on the left; turn in at the Hinman Angus Sign.

Dear Friends,

It is amazing how fast time flies by from one year to the next. As always, we take the part that we play in the seedstock side, very seriously. We work very hard at producing the kind of cattle that will work for you day in and day out.

As our trademark slogan says,... Bulls that will keep you in the cow business... pretty much says it all, as to what we work tirelessly for, every day of the year. We are at an exciting time in the cow business. I have been known to be fairly optimistic. :) I think all things considered, it looks as though this good market could be with us for a long time. Seeing the smile on folks' faces after they get their calves sold, is heartwarming,

We are truly excited about the bulls this year. The large sire group of the PSI's sons are very unique in their make up and performance ability. We also have some new sire groups and individuals that have excelled in all areas. The calves weaned heavy because of the July rain. It turned this dry country into an oasis for a short time. Sorry to say, we have not had hardly any moisture since. We all are forever grateful for what we did get. 'Next year country' ... for sure.

We have never had a warm calving season like this year. The bulls went on feed and really did well. As always, we want to give a big shout out to Bruce, Linda and Lance Hould, along with their terrific crew, for doing an excellent job of feeding and caring for the bulls. We also want to thank Ron Frye for his many years of help; we appreciate all you do. Feel free to contact Ron at anytime, as he has been through the bulls and knows them well.

Again, our entire family especially wants to thank all the folks who come and do so much to help us on sale day. Also, a big thank you to the guys who help outside and get the bulls up and through the ring on sale day. We could not do it without all of you.

If you have any questions on the bulls, or need assistance in buying your bulls, call either myself, Billy or Ty.

We will help in way. Because of your trust in our product, we all are especially thankful for giving us an opportunity to be a part of your program. We invite you to come Monday afternoon to view the bulls and join us for a nice supper at the barn.

As always, thank you so much for your business; we are all looking forward to seeing you at the sale.

Dave and Family

Ty and Sascha

PSI is siring the same look that he has with wide topped, wide based, long bodied, high performance bulls. PSI daughters have that same body qualities that will make them into outstanding cows. PSI really does sire pounds per square inch! I think his sons will work in any terrain and will do all the things a rancher needs to stay in the cow business.

Welcome to the Hinman Angus Bull Sale!

Hinman Angus is a family operation built on generations of commitment to the Angus breed. The Hinman and Lulloff families have remained focused on producing cattle that reflect their values — consistency, quality, and a long-term approach to building a reliable seedstock program.

Their breeding program continues to evolve while staying grounded in the fundamentals that have defined Hinman Angus for decades. Careful selection, disciplined decision-making, and a strong emphasis on producing functional cattle remain central to the HA program. The result is a set of bulls developed with purpose and backed by years of experience.

Having been at the ranch recently, it's evident the bulls are coming together exceptionally well this year — a uniform, well-developed set that reflects the consistency of the Hinman Angus program.

The HA brand carries weight well beyond sale day. Customers recognize the value behind the prefix — cattle that perform, hold their value, and are supported by a program with a proven track record. That confidence continues to be earned through attention to detail and a commitment to doing things the right way.

While Hinman Angus has successfully reached buyers through multiple avenues, there is still no substitute for seeing the cattle in person. Visiting the ranch offers an opportunity to evaluate the bulls firsthand and experience the hospitality the Hinman and Lulloff families are known for.

If you have questions about the offering or need assistance as sale day approaches, please don't hesitate to reach out. I appreciate your interest in Hinman Angus and hope to see you at the sale.

Warm regards,

Ron Frye

Driving the science of better breeding

There's little room for error in the cattle business. You need the most advanced information to make smart selection decisions, and Angus Genetics Inc. (AGI®) provides it through genomically-enhanced expected progeny differences (GE-EPDs). GE-EPDs have become the industry standard for herd improvement, building on decades of science-backed genetic evaluation tools originated and maintained through the American Angus Association®, home to the largest and ever-growing single-breed beef cattle database.

EPDs that traditionally contained all pedigree, performance and progeny information now also include results from available genomic, or DNA, tests. Breeders who use genomic technology give buyers access to AGI-generated GE-EPDs that provide:

Increased predictability and decreased risk for young and unproven animals due to enhanced accuracy of EPDs

Better characterization of genetics for difficult-to-measure performance traits (such as carcass traits, maternal traits and feed efficiency)

The ability to make more rapid progress for traits that are important to you, due to:

- more accurate selection
- easier identification of genetic outliers
- the ability to propagate young animals with confidence earlier in their lives

In fact, GE-EPDs on unproven animals have the same level of accuracy as if they had recorded 9-33 calves, depending on the trait. That's valuable insight, offered regularly through the breed's weekly national cattle evaluation.

Trait	Progeny Equivalent	Trait	Progeny Equivalent
Calving Ease Direct	24	Heifer Pregnancy	28
Calving Ease Maternal	18	Maternal Milk	33
Birth Weight	22	Mature Weight	14
Weaning Weight	25	Mature Height	9
Yearling Weight	20	Carcass Weight	13
Yearling Height	15	Marbling Score	10
Dry Matter Intake	12	Ribeye Area	11
Scrotal Circumference	12	Backfat Thickness	11
Docility	10	Teat Size	12
Foot Claw Set	13	Udder Suspension	13
Foot Angle	12	Pulmonary Arterial Pressure	7
		Hair Shed Score	10

How do you know if EPDs are genomically-enhanced?

Ask your breeder, refer to the registration paper, or look for the AGI GE-EPD logo, Angus GS™ powered by partner Neogen GeneSeek or the HD50K by partner Zoetis. These images indicate animals for which low-density or high-density genomic testing has been conducted and incorporated by AGI into GE-EPDs.

Angus.org/AGI

HA PSI K031

Lots 1 - 10

PSI calves are wide base, long bodied, wide topped, high performance bulls one after another, while showing excellent docility traits. The PSI daughters show the same do ability traits, as the bulls with very good dispositions. They show excellent udder structure and mothering ability. At this time in our herd and the Big Rok Angus herd with over 160 progeny with birth weight ratio of 100, WR - 102, YR - 103. Consistency of kind and performance in the PSI calves is at the top.

YOU JUDGE YOUR COWS BY PRODUCTIVITY

HOLD YOUR EQUIPMENT TO THE SAME STANDARD

Your need to get a lot of things done is never-ending. That's why we specifically build Case IH equipment to be tough, powerful and resourceful enough to cover a wide range of duties across your entire dairy operation. Our do-it-all Puma,[®] reliably flexible Farmall[®] and simply productive Maxxum[®] series tractors are ready to go to work for you. So are our balers, windrowers, mower conditioners and more.

Contact us today to learn about the equipment that works as hard as you do or visit caseih.com/livestock.

Jill Hinman Hamilton

75 Riverview Road
Three Forks, MT 59752

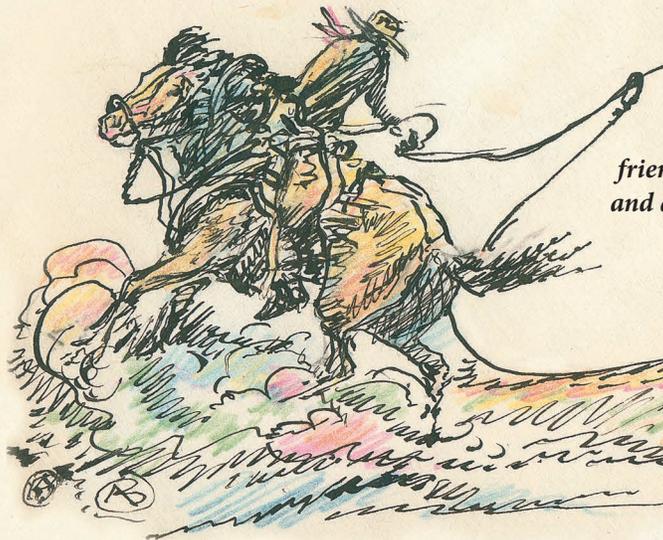

Thank you, Frank, for helping us during calving, and welcome to Rowen, the newest member of our neighborhood!

Ag Ed Day at the Hinman Ranch is a program they started several years ago. It is to help teach children where some of their foods and clothing comes from. The local students grades 1-5 are invited to attend an all-day field trip to the ranch. With the help of local neighbors, friends and the cattlemen, the children move from one 'station' to another all day, with each one teaching them some part of what farmers and ranchers do to provide for them. They learn that milk comes from a cow and can be churned into ice cream, whole grains are used to make bread and cereals, sheep wool is woven into sweaters, hamburgers and leather coats both come from cows. Ag Ed Day has been very well accepted, and we feel it is a program that children can learn from very quickly and in a fun way.

Dave & Yvonne
September 17, 1965
60th Anniversary 2025

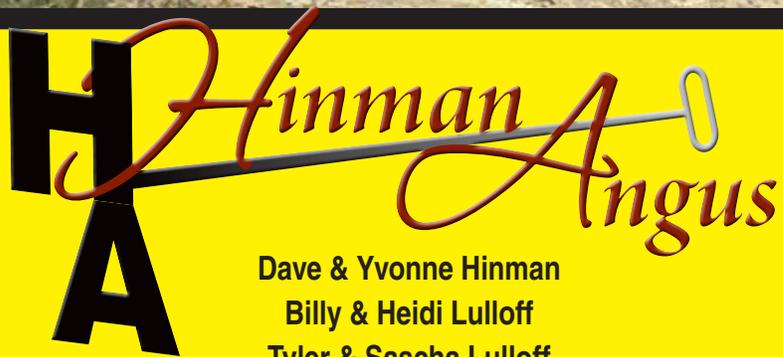

Thanks from all of us to all of you!

Once again, our sincere thanks to all of our friends and customers, family members and good neighbors and all the businesses that support us, each in their own way, so we can continue raising Angus cattle!

Dave & Yvonne
