3rd Annual Bull Sale

**SKYLINE ROLLING
STONE 5134**

Hello Fellow Ranchers

If you would've told us a few years ago that we'd be putting together our third annual bull sale and experiencing the kind of success we've been fortunate enough to have, we probably would've laughed and said, "That sounds like living the dream."

The truth is we still are.

Even heading into year three of this program, this whole thing still feels a little unreal. What started as a commercial cattleman simply trying to build a really solid set of cows has turned into something far bigger than we ever imagined. And, we don't take one bit of it for granted.

This program was never built with the idea of selling bulls first. It was built cow-first finding females that were moderate, deep-bodied, sound, fertile, and built to last. The opportunity to purchase the Trexler Angus cow herd was a turning point for us, and it fit exactly with what we believed in. From there, we've continued to grow the herd with that same mindset: real-world cattle that work every day, not just on paper.

The funny thing is, when you get the cows right, the bulls tend to take care of themselves. The bulls offered here are simply a by-product of a cow herd built for longevity, structure, and function. The kind of cattle we all want more of in our pastures.

With today's cattle markets where they are, females have never been more valuable. That makes it even more important to invest in bulls that will sire daughters you want to keep, cows that stay sound, breed up, raise good calves, and stick around for the long haul. We believe these bulls will do exactly that, while still offering the power, muscle, and performance needed to move the needle on your calf crop.

Most importantly, none of this happens without people. We're incredibly thankful for our family, our crew, and the customers and friends who've believed in this program, whether you've been with us from the beginning or are just getting to know us. Relationships matter to us, and we stand behind that with a full, no-questions-asked bull guarantee. If something isn't right, we'll make it right.

At the end of the day, this program is about good cattle, good people, and doing things the right way. That belief has guided us from the start, and it's what continues to drive everything we do. As you look through this year's offering, we hope you see the pride, purpose, and belief that went into building this set of cattle. We look forward to visiting with you, continuing to live out what still feels like a dream alongside others who share it, and we look forward to seeing you at the sale.

Warm regards,

The Lewis Family & Skyline Angus and Crew

"Living the dream,
one good Cow at a
time"

SALE INFORMATION

3rd annual Bull Sale

FEBRUARY 18, 2026 | 1:00 P.M. | AT THE RANCH

**1447 SOUTH BURNT FORK RD
STEVENSVILLE, MT 59870**

Sale Day Phones

DREW LEWIS: 406.381.3764 | LARRY TREXLER: 406.363.8818 | COLTON REYNOLDS: 406.351.3906

Any PDF downloads from the website will contain EPDs current as of the date downloaded. References: American Angus Association®, AHIR®, AngusLink®, CAB®, Pathfinder®.

"THE BULL STOPS HERE"

Maternal Consistency

Maternal Weaned Calf Value (\$M), an index, expressed in dollars per head, predicts profitability differences from conception to weaning with the underlying breeding objective assuming that individuals retain their own replacement females within herd and sell the rest of the culled females and all male progeny as feeder calves. The model assumes commercial producers will replace 25% of their breeding females in the first generation and 20% of their breeding females in each subsequent generation. Traits included are as follows: calving ease direct, calving ease maternal, weaning weight, milk, heifer pregnancy, docility, mature cow weight, claw set and foot angle.

Thank you
to our Skyline Angus crew

A Rock 7200 son out of Pathfinder and donor cow TAR Everelda Entense 518, who also produced the third high-selling bull in the 2025 sale. She records 7-110 BWR and 7-108 WWR. Ironclad carries the same power and structure built for durability and long-term function, while carrying on the his Pathfinder lineage.

COLEMAN ROCK 7200

Reference Sire

The cattleman's kind is a perfect way to describe the early indicators on Coleman Rock 7200. He sires cattle with extra three-dimensional shape, with added performance, in the right size package. His offspring have tons of center body, and explosive muscle shape, in sound structured package.

This featured herd sire by OCC Juneau 807J stems back to the legendary Coleman Donna 714, who is the \$290,000 record seller and one of the high income-producing females in the Coleman Angus Ranch program.

A powerful, performance-driven bull from one of the most proven cow families in the Skyline program. His dam, TAR Donna 240, is a standout producer with a 103 Weaning Ratio and is the dam of Skyline Dash 407, the \$50,000 high-selling bull from last year's sale. Reload combines that cow power with solid growth, carcass, and value numbers, making him a dependable sire built to add profit and consistency to any program.

Back to the Coleman Resolve 7219 bull who sired our two top-selling bulls in the 2024 sale in a calving ease package.

"THE BULL STOPS HERE"

CARLSON GRAND CANYON 2007

Reference Sire

The high-selling bull in the the Carlson Angus 2023 Bull Sale, and one of the first SAV Grand Canyon 0969 sons. Backed by the Big-Time donor cow Carlson Blackbird 4020, who we sold 11 sons out of last year. Grand Canyon 2007 calves were our heaviest weaning group in all the bull calves this year. His daughters are calving now in production, and we are very excited about the style they have. He is now Coming 5 and perfect footed, big boned and full of red meat.

COLEMAN EASY DECISION 1539

EASY DECISION is destined for maternal greatness with a pedigree that includes Juneau, CHARLO and is anchored by the famous Coleman Donna 714. His dam is an impressive cow and commanded a staggering \$205,000 in the 2023 Coleman Angus Female Sale.

With his first calf crop under his belt, EASY DECISION improved for CE and BW and also went up for WW. He is ratioing 99 for BW and 101 for WW.

Leading off The Coleman Easy Decision Sire Group, which was our top pen of bulls in 2025. It wasn't an easy decision putting these bulls this deep in the sale...but I think this speaks to how deep this offering is. Sure Bet is a "sure bet" power bull. Blackcap 960 sold our Lot 2 bull in the 2024 sale, and 5141 is possibly one of the top cow bulls in the sale.

COLEMAN BELOW ZERO 2106

Reference Sire

A \$150,000 top-selling reference sire from the 2023 Coleman Angus Spring Bull Sale, Below Zero brings sure-shot calving-ease genetics, exceptional phenotype, and added depth of body in a well-balanced, high-maternal pedigree package. He stems from Coleman Donna 0153, a featured lead-off cow and high-performing producer with excellent birth, weaning, and yearling ratios. Below Zero's first calves have come with low birth weights and excellent vigor, and he stamps his look on his progeny while transmitting breed character and maternal strength.

PICK OF THE REPLACEMENT HEIFERS

For the first time Skyline Angus is offering females out of this amazing program. This pick will be of all of the registered replacement heifers on the Ranch.

(excluding the two bought in this sale)

These Heifers have Full and half siblings throughout this offering and stem from the Genetics that have made our program what it is.

Individual information for replacements will be available as a Sale day supplement.

REGISTERED FEMALES
