After going through a year like this, of 2014, you pose the question, "How could you want a better year than this?" Well sir, I still maintain the quality of livestock of these good Angus cattle is going to give great rewards to people who own them and run them and make a living with them.

We have a wonderful offering this fall. We're starting the sale with the dispersion of the seven year old registered cows. They have earned their way as top producers and are bred to as good a set of bulls the breed has.

Our bull offering starts with the fall born bulls. They are an outstanding group that have top performance bred in with generations of high performing cattle behind them. They consist of several herd sire prospects along with bulls for the most discriminating rancher. The coming two's are big, stout and ready for heavy service.

We will have 50 registered bred heifers with the vast majority bred to Connealy Countdown. You will hear lots more about him as he has seen heavy service in the Vermilion program. Another young sire we need to mention is SAV Privilege 3030, one of the most popular bulls to come out of the Schaff herd. 41 of the seven year olds are bred to him.

There are close to 1200 bred commercial Angus heifers that are mostly bred to TC Franklin 619, a sire that has just about done it all for us. You will be impressed with the depth of quality in these heifers. They are all ultrasound pregnancy tested into short calving periods and are sexed for bull and heifer calves wherever possible.

Finally, a real highlight each year is the seven year old commercial cows from the Diamond Ring Ranch. Bred to Vermilion bulls, they are tough, they work out a living, bring in a big calf and are cake broke.

Please join Babe and I Friday night, November 28th at the Big Horn Resort for refreshments and a CAB Prime Rib buffet. We look forward to the visit.

Sincerely,

Dat & Babe of Crew

We have used Bobcat in our fall program with excellent success. His sons are some of the best selling. His daughters are making top cows. Notice the first three Sirloin sons selling are all out of Bobcat daughters.

Vermilion Sirloin is a real success story. He was our high selling bull a couple of years ago to Currant Creek Angus & Hinman Angus. He has tremendous performance from Production through Carcass & \$Values. Sired by Franklin, a sire that has left a real impact in our herd out of a "VRD" bred cow that has four daughters in the herd.

Volume Discounts On Three Or More Bulls

Hilltop Fergus was our pick out of the Hilltop Sale a few years ago. He is loaded with high performance from start to finish. His sons are massive bulls with lots of length and depth.

Franklin needs no introduction to our program or to the Angus breed. He has done a fantastic job for us and continues to influence our program. Most of the commercial bred heifers selling are bred to him.

Dublin continues to have a positive impact on our Vermilion program. Through the years his sons have been some of the easiest to market. They are big volume, heavy muscled bulls with outstanding eye appeal and performance. You will see many bulls selling that are from Dublin daughters.

Once again we are offering a solid set of coming two year old bulls. There are a number of sire prospects along with many big rugged range bulls.

Several of these calving ease bulls were turned out on our commercial heifers for a short time after AI breeding. They all have gone through an extensive physical exam, trich tested and fertility evaluated. As you will see, these bulls are sired by our best Vermilion sires.

Game Day has been a great addition to our herd sires. He sires moderate framed, thick made, sound cattle. He sired our highest average selling bulls in our spring sale. Our Game Day daughter bred to Privilege sold at the recent NILE sale for \$9000 to PK Perry Angus.

Vermilion Crew After Bringing The Fall Cows Home

Big Stout Two Year Olds

Lots 236 to 266 are the result of several generations of AI breeding. The background of these bulls include Right Time, VRD, Nebraska and Danny Boy.

The weaning and yearling weights are actual weights taken on October 25, 2013 and March 1, 2014 respectively.

These bulls are not registered.

We are really excited with Privilege and can hardly wait until spring and his first calves. He comes from the Schaff Angus Valley herd. His dam is a flush sister to their popular SAV Resource 1441 bull. Privilege is a super long, clean fronted, thick made bull. He has as much presence, power and performance as you can put into a low birthweight bull.

41 OF THESE TOP PERFORMING COWS CARRY PRIVILEGE CALVES

Here is another real exciting young sire that is a true calving ease, high performance bull. He is flawless in his kind, from end to end. He is thick topped, long sided, correctly made and has as much eye appeal as you could ask for.

Countdown is right at the top of the EPD charts: CED-Top 10% • BW-Top 4% • WW- Top 1% • YW- Top 1% • Milk- Top 10% • \$W- Top 1% • \$F- Top 1%.

Countdown has seen heavy service with the majority of the heifers bred to him.

This young bull caught everyones eye at our Northern Livestock Video Appreciation Party out at the ranch this past summer. He is a big volume, heavy muscled attractive bull. He's out of a top donor cow from the McKellar herd in Texas.

Dispersion Of All The 2007 Born Registered Cows

We continue to see the influence of Right Time throughout the breed. He would be 22 years old this year and we are still selling semen and AI Certificates on him. He's one of the great cowmakers of the breed. His blood runs through our entire herd.

Our pick of the Hinman Angus Sale in 2012. He sires real attractive top performing cattle. He ranks in the top 1% in WW, YW and \$F. His sons are lots 100 through 105 in the sale. His daughters are real feminine, big bodied heifers that have mother cow written all over them.

75 COMMERCIAL ANGUS COWS

DISPERSION OF THE 2007 BORN FEMALES FROM THE DIAMOND RING RANCH. THESE ARE ALWAYS A POPULAR PART OF THE SALE. THEY ARE BIG VOLUME, RUGGED COWS THAT HAVE BROUGHT IN A CALF EVERY FALL. THEY ARE CAKE BROKE, YEAR NUMBER BRANDED AND WILL CALVE IN MARCH AND EARLY APRIL TO A TOP SET OF VERMILION BULLS.

Fancy Commercial Bred Angus Heifers

Once again we are selling what we think is an outstanding offering of bred commercial Angus heifers. These heifers are the tops of over 10,000 heifers we purchased from our customers in the fall of 2013.

They are all one iron heifers that will be sorted back to their origin and sold in uniform lots. Dr. Ralph Miller ultrasound pregnancy tested the entire offering. The heifers will also be pregnancy checked by our veterinarian, Dr. Fred Schmidt just prior to the sale. We will sell them as to bull calves and heifer calves where possible and all lots will be in short calving periods. A tremendous amount of work and effort has been put forth to put added value to these heifers. First and foremost, they are an outstanding set of heifers that the quality never ends.

500 Total Performance Yearling Bulls

The best of the 2014 bull crop

Sired by Dublin, Bear Paw, Sure Shot, Franklin, Xtra X, Dempsey, Game Day, Sirloin, Connealy Spur, Sierra Cut, Earnan and more top sires.

VERMILION BEAR PAW

An exciting young home bred sire. His first sons sell in the spring sale.

FF DEMPSEY Y11

As good of calving ease sire as we've ever used. He sires some of our highest performing calves that will sell in the spring.

SITZ JLS GAME DAY 9630

His first calves sell in the spring. We really like what he is doing. He will see extensive service in the Vermilion program.

VERMILION SIRLOIN

Sirloin has tremendous performance from Production through Carcass and \$Values. He is a real Vermilion success story.
