Travel and Lodging Information:

Contact Little Goose Ranch 307-751-1535.

Sale will be broadcast on:

Northern Livestock Video
Auction. See page 3 for
information.

Viewing of the Sale Offering:

The cattle are available to view any time prior to the sale at the ranch. Beginning Friday, January 23, the cattle will be at Buffalo Livestock Marketing available for viewing. Sale videos will be posted to the ranch website, www.littlegooseranch.com, on or around January 1. The sale book photos were taken on November 16.

Liability:

All persons attending do so at their own risk. Little Goose Ranch and Buffalo Livestock Marketing assume no liability for any accidents or injuries which may occur.

ANGUSMEDIA EPDs contained in the hard copy of this sale book were current as of print date. Digital versions of this sale book can be viewed online at www.angus.org and will have EPDs updated every Friday with the exception of EPD references in footnotes and photos. Any PDF downloads from the website will contain EPDs current as of the date downloaded. References: American Angus Association®, AHIR®, AngusLinkSM, CAB®, Pathfinder®.

LITTLEGOOSERANCH.COM

Welcome!

Welcome to the 2026 Little Goose Ranch Production Sale.

We are pleased to offer 64 yearling bulls and 23 yearling heifer mates. It's hard to believe another sale season is already here — each year seems to come around a little quicker than the last.

This past year has been an exciting one to be in the cattle business. Record-high prices have brought renewed optimism and opportunity across the industry, and week after week seemed to set a new benchmark. We hope you were able to take advantage of these markets and strengthen your operations.

At Little Goose Ranch, we remain committed to producing consistent, problem-free, efficient cattle with the maternal strength and practical performance needed to thrive in our environment. Every mating is planned with the commercial cattleman in mind. We know the importance of heavy, uniform steers at weaning and heifer mates that develop into low-input replacements. Our cattle offer balanced power and performance without sacrificing fertility, soundness, or longevity.

We don't chase extremes or trends. Instead, our focus stays firmly on the mother cow and on producing real-world cattle built for beef production. As you study this year's offering, you'll notice the continued influence of proven breed leaders such as Coleman Charlo 0256, SAV Resource 1441, and SAV Renown 3439 in the foundation of many pedigrees. We are also once again offering progeny by Ellingson Statement and Coleman Gaucho, two outcross sires that complement our cow herd exceptionally well. New this year, we are excited to introduce the first calves by our own herd bull, LGR Outlaw 3005.

We extend our sincere gratitude to our customers, friends, and neighbors. Your trust and loyalty mean more than we can say. We recognize that you have many choices when selecting seedstock, and we are humbled by your continued support. We also want to thank the many vendors and partners who help keep our operation running throughout the year.

The sale offering is available for viewing at the ranch any time prior to the sale. Please feel free to visit, call, or reach out with any questions. If you are unable to attend in person, the sale will be broadcast online through Northern Livestock Video Auction. Additional photos, videos, and updates can be found on www.littlegooseranch.com, Facebook, and Instagram. The 2026 Little Goose Ranch Annual Production Sale will be held at Buffalo Livestock Marketing on Saturday, January 24, 2026, in Buffalo, Wyoming. Lunch will begin at 11:30 a.m., and the sale will start at 1:00 p.m.

We look forward to seeing you there and greatly appreciate your interest in our program.

With sincere appreciation,

*The Meredith Family
and Little Goose Ranch Crew*

January 24, 2026 • 1 PM

Buffalo Livestock Marketing, Buffalo, WY

Lunch will be served at 11:30 AM

Auctioneer:

Greg Goggins406.200.1880

Sale Order:

Cattle will sell in sale book order.

Sale Staff:

Jaramie McLean, *TriState Livestock News*406.938.3071

Bo Bevis, Northern Livestock Video406.390.3134

Herd Health:

All cattle are eligible for shipment anywhere in the United States, although some states may require additional testing prior to shipment. All animals have been genomically tested for parentage verification through Angus GS. DNA testing gives the added benefits of Genomically Enhanced EPDs, testing free of all known genetic defects, and tested BVD-PI Negative. The cattle are on a complete vaccination and mineral program as recommended by our veterinarian.

Bull Development:

The bulls have been developed on the ranch with first cutting grass hay and a bull grower pellet.

Breeding Soundness:

All bulls will have passed a breeding soundness exam guaranteeing them sound and fertile at time of delivery.

Retained Interest:

Little Goose Ranch will be retaining a one-third revenue sharing interest on all the bulls. Full possession sells on all cattle.

Wintering And Delivery:

All bulls will winter free of charge until April 1. Little Goose Ranch will deliver free of charge up to 500 miles and then at cost beyond 500 miles. Please leave detailed delivery instructions at the time of buyer registration with the Buffalo Livestock Marketing office. The heifers are for immediate pick-up unless prior arrangements have been made.

Guarantee:

Bulls are guaranteed to be sound healthy breeders for the first breeding season. The breeding season is defined as the first 90 days from turn-out of the bull. All bulls will be covered 50% of the purchase price of the injured bull, less 50% of the salvage value towards credit in next year's sale or towards the value of a replacement bull if one is available. All injured bulls must be diagnosed by a veterinarian. Please notify us as soon as possible if an injury should occur and prior to the bull being sold for salvage. All claims must be made by September 1, 2026.

Volume Discount:

A 2.5% discount will be provided on 5 bulls and a 5% discount will be provided on 10 bulls or more.

Terms of Sale:

Cattle will sell under the suggested Terms and Conditions of the American Angus Association (http://www.angus.org/Pub/suggested_sale_terms.pdf). Terms of sale are cash. Payment for cattle is expected to be in full at the conclusion of the sale unless arrangements have been made prior to the sale.

Announcements:

Announcements from the sale block take precedence over any printed material.

Donation Heifer

Introducing LGR Majesty 5183

At Little Goose Ranch we believe youth in agriculture are the best asset for the future of our industry. We are actively involved in various programs promoting agriculture and youth to educate and inspire future generations. In keeping with tradition, we will donate a heifer to one lucky junior, age 20 or younger, in attendance on sale day. Stop by the clerk's counter to get your winning ticket!

This year's donation heifer is sired by our own herd bull LGR Outlaw 3005. LGR Majesty 5183 was selected for her gentle disposition. She is one of Outlaw's earliest progenies and we are excited to offer the winner an opportunity to be a part of his legacy. Notable sires in her pedigree include Justified, Logo, and Bravo. Her dam, LGR Majesty 3066, is AI bred to calve in early February. Her Pathfinder, maternal great granddam is set to calve again at 14 years old, demonstrating impressive longevity.

Rowdy Rathbun preparing for county fair.

Congratulations to the 2025 Donation Heifer winner, Rowdy Rathbun.

Calving Ease Direct (CED), is expressed as a difference in percentage of unassisted births, with a higher value indicating greater calving ease in first calf heifers. It predicts the average difference in ease with which a sire's calves will be born when he is bred to first-calf heifers.

Birth Weight EPD (BW), expressed in pounds, is a predictor of a sire's ability to transmit birth weight to his progeny compared to that of other sires.

Weaning Weight EPD (WW), expressed in pounds, is a predictor of a sire's ability to transmit weaning growth to his progeny compared to that of other sires.

Yearling Weight EPD (YW), expressed in pounds, is a predictor of a sire's ability to transmit yearling growth to his progeny compared to that of other sires.

Scrotal Circumference EPD (SC), expressed in centimeters, is a predictor of the difference in transmitting ability for scrotal size compared to that of other sires.

Docility (DOC), is expressed as a difference in yearling cattle temperament, with a higher value indicating more favorable docility. It predicts the average difference of progeny from a sire in comparison with another sire's calves.

Maternal Milk EPD (Milk), is a predictor of a sire's genetic merit for milk and mothering ability as expressed in his daughters compared to daughters of other sires. In other words, it is that part of a calf's weaning weight attributed to milk and mothering ability.

BW, actual birth weight.

Adj. 205, adjusted weaning weight at 205 days with ratio.

Dam's Weaning Ratio

Carcass Weight EPD (CW), expressed in pounds is a predictor of the differences in hot carcass weight of a sire's progeny compared to progeny of other sires.

Marbling EPD (Marb), expressed as a fraction of the difference in USDA marbling score of a sire's progeny compared to progeny of other sires.

Ribeye Area EPD (RE), expressed in square inches, is a predictor of the difference in ribeye area of a sire's progeny compared to progeny of other sires.

Maternal Value (\$M), an index expressed in dollars per head, predicts profitability differences in progeny due to genetics from conception to weaning.

Weaned Calf Value (\$W), an index value expressed in dollars per head, is the expected average difference in future progeny performance for preweaning merit. \$W includes both revenue and cost adjustments associated with differences in birth weight, weaning direct growth, maternal milk, and mature cow size.

Combined Value (\$C), an index expressed in dollars per head, includes all traits that make up both \$M and \$B with the objective that commercial producers will replace 20% of their breeding females per year with replacement heifers retained within their own herd.

View and Bid Live Online

Bid through Northern Livestock Video Auction's Online Bidding Platform! Desktop and Mobile Friendly.

FROM YOUR DESKTOP:

1. It is best to use the Google Chrome web browser.
2. Pre-Register at least one day prior to the sale.
3. Go to bid.northernlivestockvideo.com and click "Get Approved to Bid".
4. Doing this will prompt you to create an account, after which you will fill out a bidder approval application.
5. Once Approved, an email will be sent to the email account provided, please click the link in that email to activate your account and a buyer number will be provided.
6. On sale day (after approval), visit www.northernlivestockvideo.com to view and bid!

FROM YOUR MOBILE DEVICE:

1. Use your mobile device to download the Northern App and follow the above steps to get approved.

There is an instructional video on how to register to bid on our website, www.northernlivestockvideo.com if you have any questions.

For technical assistance with Internet Viewing and Bidding Questions, call Sam Fraser 406-860-0590.

PHONE BIDDING:

Anyone wanting to use the Northern Livestock phone bank to bid must pre-register and have a bid number to bid on the phone.

Northern Livestock Sale Day Bid Line: 1-406-245-0889.

To register with NLVA, call 866-616-5035 Before Sale Day.

View the Online SALE BOOK and VIDEO CLIP of each BULL selling at www.northernlivestockvideo.com

Bidders who are successful in making purchases will be contacted following the sale to make payment and delivery arrangements.

Driving the science of better breeding

There's little room for error in the cattle business. You need the most advanced information to make smart selection decisions, and Angus Genetics Inc. (AGI[®]) provides it through genomically-enhanced expected progeny differences (GE-EPDs). GE-EPDs have become the industry standard for herd improvement, building on decades of science-backed genetic evaluation tools originated and maintained through the American Angus Association[®], home to the largest and ever-growing single-breed beef cattle database.

EPDs that traditionally contained all pedigree, performance and progeny information now also include results from available genomic, or DNA, tests. Breeders who use genomic technology give buyers access to AGI-generated GE-EPDs that provide:

Increased predictability and decreased risk for young and unproven animals due to enhanced accuracy of EPDs

Better characterization of genetics for difficult-to-measure performance traits
(such as carcass traits, maternal traits and feed efficiency)

The ability to make more rapid progress for traits that are important to you, due to:

- more accurate selection
- easier identification of genetic outliers
- the ability to propagate young animals with confidence earlier in their lives

In fact, GE-EPDs on unproven animals have the same level of accuracy as if they had recorded 9-33 calves, depending on the trait. That's valuable insight, offered regularly through the breed's weekly national cattle evaluation.

Trait	Progeny Equivalent	Trait	Progeny Equivalent
Calving Ease Direct	24	Heifer Pregnancy	28
Calving Ease Maternal	18	Maternal Milk	33
Birth Weight	22	Mature Weight	14
Weaning Weight	25	Mature Height	9
Yearling Weight	20	Carcass Weight	13
Yearling Height	15	Marbling Score	10
Dry Matter Intake	12	Ribeye Area	11
Scrotal Circumference	12	Backfat Thickness	11
Docility	10	Teat Size	12
Foot Claw Set	13	Udder Suspension	13
Foot Angle	12	Pulmonary Arterial Pressure	7
		Hair Shed Score	10

How do you know if EPDs are genomically-enhanced?

Ask your breeder, refer to the registration paper, or look for the AGI GE-EPD logo, Angus GS[™] powered by partner Neogen GeneSeek or the HD50K by partner Zoetis. These images indicate animals for which low-density or high-density genomic testing has been conducted and incorporated by AGI into GE-EPDs.

Statement is a top-selling bull from the 2023 Ellingson Angus sale. Statement is a total outcross sire that we purchased with the Barnes Ranch of South Dakota. Ellingson Angus has retained fall possession to use in their breeding program. Statement offers calving ease without sacrificing growth, while maintaining maternal merit. We are impressed with how his offspring are developing and look forward to calving his first daughters in February.

Certified is the lead-off Scale Crusher son from the 2021 Schaff Angus Valley sale. He was introduced into our herd to bring in the outcross influence of Marcy's Scale Crusher combined with SAV Blackcap May 1420, which is a flush sister to SAV Resource 1441. Certified is a high-performing bull with length, muscle, large scrotal, and solid feet.

Outlaw is a bull we raised from our 2023 calf crop. He is sired by W Sunrise Executive Law 507H, back to a Coleman Bravo daughter, Pine Coulee Karama J28, whom we purchased at the Ladies of the Beartooth sale in 2022. Outlaw has a gentle disposition and a balanced EPD profile, showing double-digit calving ease direct, optimal milk production, large scrotal circumference and excellent growth potential, while ranking in the top 4% of the breed for Maternal Value (\$M).

Promise Land's phenomenal foot structure and docility matches our herd goals. He is backed by a strong pedigree including Ellingson Badlands and maternal grandsire SAV Resource 1441. Both of which are aligned with our objective of producing females with strong maternal merit.

ELLINGSON PROMISE LAND

Coleman Gaucho 2169

Gaucho is the third top-selling bull of his sire group from the 2023 Coleman Angus sale. Gaucho is having a significant impact within our herd. His EXT dam displays an excellent production record and is backed by an old school, tried and proven foundation pedigree. His sire, Hummel South America, is an outcross sire that can be used almost anywhere.

WINTERING AND DELIVERY:

All bulls will winter free of charge until April 1. Little Goose Ranch will deliver free of charge up to 500 miles and then at cost beyond 500 miles. Please leave detailed delivery instructions at the time of buyer registration with the Buffalo Livestock Marketing office. The heifers are for immediate pick-up unless prior arrangements have been made.

YEARLING HEIFERS

About the Heifers The heifers reflect our cow herd, representing daughters from first calf heifers to running age cows. Our past customers have been very satisfied with the type, kind, and docility of our heifers. All heifers have been Bangs vaccinated and are on the same vaccination program as our bulls. These heifers are for immediate pickup unless prior arrangements have been made. Registration certificate is included with bid price.
